

Local Voices Matter

- Problems in your **local** area?
- Want to get **involved** to **change** things?

Come to a Local Forum and talk to us about ideas and issues in your local area. Raise questions and concerns about Council services that affect you.

Visit www.redbridge.gov.uk/localforums

Local Forum meetings will be held every month at venues across the Borough

There will be two parts to each Local Forum: a Market Place and a Question Time. Most Local Forums will be held in the evening and occasionally some will be held in the day.

Market Place

The first part of the Local Forum is the Market Place. You can browse stalls staffed by Council officers and Councillors to discuss issues that affect you, including planning, litter, parking, benefits and housing.

Partners including the Police, Neighbourhood Watch, Liberty Credit Union, HealthWatch and local voluntary sector groups will also be at the Market Place.

Question Time

The Market Place will be followed by a more formal Question Time, where you can put questions to Councillors and senior Council officers. Questions can be submitted in advance using the form at www.redbridge.gov.uk/localforums or asked on the night.

Schedule of meetings

Venue	Date and time

The Council needs to make savings....
hands up if you have ideas to help save
£70 million over the next few years.
